March 21, 2009

Dear Resident of Prospect Heights Fire District #1,

This year in 2009, the Prospect Heights Volunteer Fire Company #1 is 100 years old! We are very excited about reaching this milestone of supporting Ewing Township's residents and businesses for 100 years. Please check out our website at www.phvfc.org for information and updates on 100th Anniversary activities throughout the year.

We now are beginning our 2009 Annual Fund Drive and your fire company counts on your financial support!

If at all possible, please think about increasing your tax-deductible donation this year. For over 10 years, we've been asking our neighbors to contribute fourteen cents a day or \$50 per year. Donations above and beyond the \$50 will help to fill a few budget gaps that we anticipate this year.

Ewing Township is different as compared to most other municipalities in Mercer County as we do not have taxing authority for fire services. We continue to rely heavily on the volunteers as first responders. Though we do get financial assistance from the Ewing Township municipal budget, we cannot meet our annual budget needs without the tax-deductible contributions you make each year. Because of your support, we continue to provide you with professional emergency services in your time of need without a direct fire tax!

Your donation goes towards the expenses incurred in the day-to-day operations of the Prospect Heights Volunteer Fire Company. We will continue to keep our expenses to a minimum but understand that we are affected just as you are by increasing costs in today's economic climate. We need your support!

Donate Online!

For your convenience, you can now make your annual donation online! Go to our firehouse website at www.phvfc.org and click on the DONATE ONLINE button.

You can also support the fire company by coming out to our weekly Friday night bingo with prizes of over \$1,000 and our annual Ham Dinner which will be on Sunday, November 8, 2009 .

Please don't hesitate to contact the chief or president should you have any questions or would like more information!

Yours in fire safety,

The Members of the Prospect Heights Volunteer Fire Company #1
