September 2016

Dear Business Owner/Manager,

The Prospect Heights Volunteer Fire Company #1 is beginning its 2016 Annual Business Fund Drive and your fire company counts on your financial support!

We count on your financial support each year so that we can continue to provide you with professional emergency services in your time of need. As a volunteer fire company, you should be proud of the firefighters that put forth so much time and effort into providing you with a quality fire department with up-to-date equipment and expertise to serve you!

The Prospect Heights Volunteer Fire Company provides this service for you without the benefit of a direct fire tax and we hope to continue to do so in the years ahead. As you read this letter, many surrounding communities have a direct fire tax for fire services. Presently, Ewing Township does not.

What is appropriate to contribute, \$100, \$200, \$500? This question is very hard to answer because of the many differences that exist between businesses in Ewing Township. What is appropriate for one business may not be for another. All we ask is that you take a sincere, deep look at this privilege to give to your fire company for which we will be grateful.

For your convenience, you can now make your annual donation online! Go to our firehouse website at [www.phvfc.org](http://www.phvfc.org) and click on the DONATE ONLINE button. While online, check out what's going on at Station 31. Of course, our doors are always open should you like to visit so that we may answer any questions that you may have.

Please don't hesitate to contact us should you have any questions or would like more information!

Yours in fire safety,

The Members of the Prospect Heights Volunteer Fire Company #1
